BLIND CODING CONTEST

Description :

Coding is today's language of creativity. How about executing it on a turned off screen? Yeah it drives you with a crazy zeal and enthusiasm. Introducing BLIND CODING!! Let's extent our limits in coding even in screen off mode. This event unveils presence of mind and acqurate typing skills. You don't need eyes for coding, you need vision.

"Make it work, Make it right, Make it fast"

No of participants or Team size: 2
